

WORLDFIRST

World Account is here.

The new way to save time
and money for businesses that
operate in different currencies

For everyone, from online sellers to the C suite

Global control

- Open international currency accounts for free in EUR, GBP, CAD, JPY, AUD and NZD, as well as USD
- Receive, hold & make payments in local currencies on one easy-to-use platform

Fast

- Transfer between accounts instantly
- Make quick payments 24/7

Cost effective

- Access great rates on international transfers
- No hidden fees or set-up costs

Making payments and receiving funds from abroad? We're here to help.

We've already helped more than 150,000 people, business and online sellers access great FX rates and transfer more than \$75 billion since 2004. Now we're going to the next level. Are you?
